- literary works
- geographical connection
  - political cartoon
  - literacy connection

Three of the activities per lesson have a basic knowledge level and an application level. All lessons include a literacy connection activity.

Also included is a student workbook option with ALL of the informational reading passages, slotted notes, graphic organizers, activities, and primary document analyses already in order so it's ready to print!

**There is enough material in this unit for about 8 weeks of instruction, depending on length of class period.**

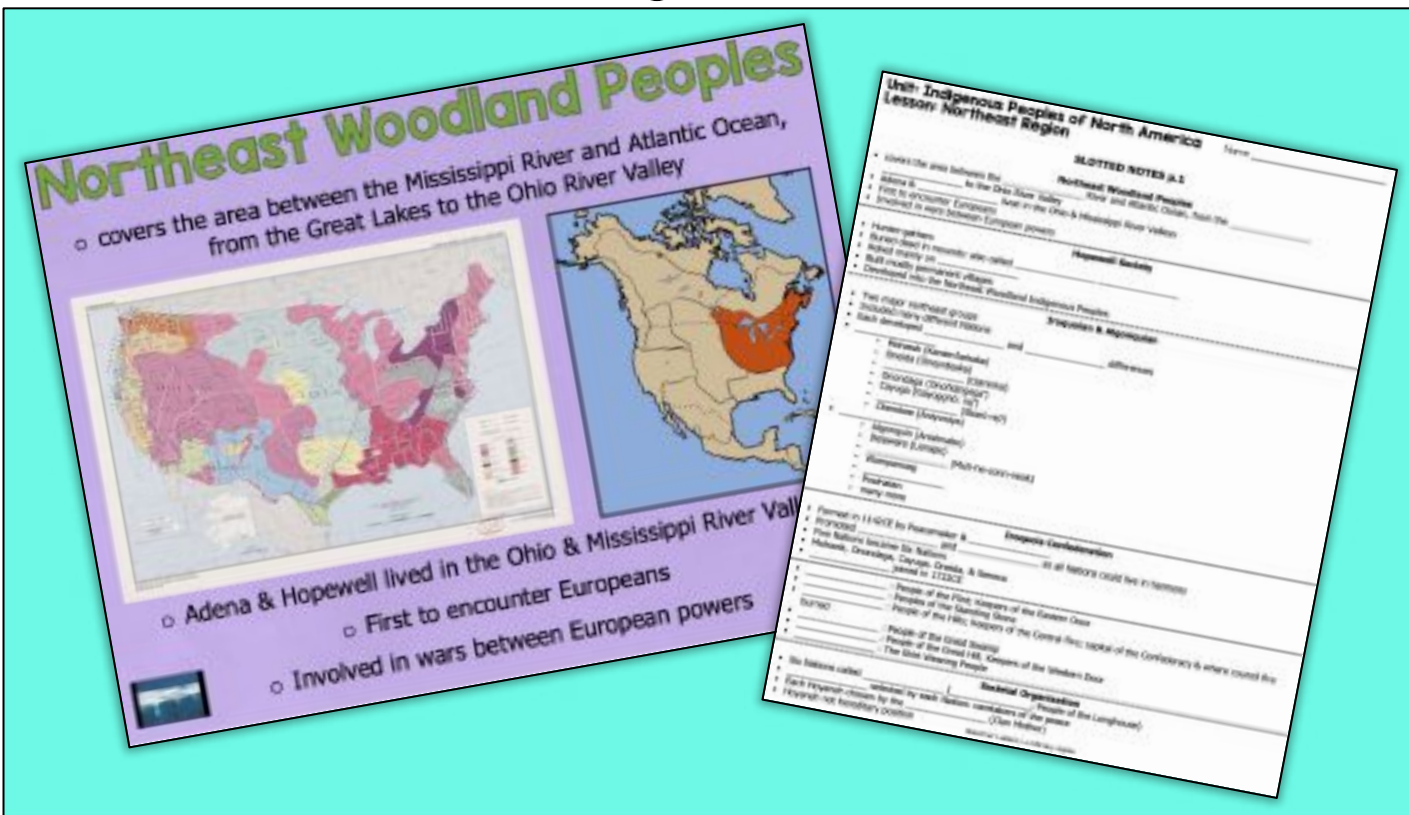

## Literacy Integration:

Easily integrate reading & social studies with the graphic organizers and primary document analysis. Each graphic organizer focuses on one specific reading skill, and students use reading skills to analyze primary documents.
